MR. CAUDLE CONE TO BEYOND

Prominent Farmer Suffers
Relapse of Pneumonia
Which Causes Death.

AN EXCELLENT CITIZEN.

Funeral Services Held Thursday and Remains Interred
In Riverside Cemetery.

Mr. J. R. Caudle died at his home near Julien Wednesday afternoon. He had been ill of pneumonia, but was able to be up and he visited this city one day last week. In a day or two a relapse came and the end followed in a short time.

Mr. Caudle was 78 years old and leaves a wife and one child, Emmett Caudle. He was a native of Virginia, having been born in Appomattox county, and came to Christian county, Ky., in 1852. Some years later he purchased a farm near Julien, the present home place, and was very successful, amassing a fortune.

He was a man of great energy and took an active interest in the affairs of the county and its interests. He was a large stockholder in the Planters Hardware Co., of this city, and held the office of vice-president of the company. He was for forty or more years Captain of the Christian County Hunting Club, whose annual visits to Mississippi, Arkansas and other hunting grounds were so much enjoyed by its members.

Mr. Caudle was a member of the Methodist church and was a most excellent citizen, who will be greatly missed by his host of friends.

His funeral services were held at his late residence Thursday morning, conducted by Rev. G. W. Lyon of this city, and the interment took place in Riverside Cemetery.

Former Matron Dead.

News has been received of the death in Howell, Ind., last Sunday, of Miss Mary A. Hollingsworth. Miss Hollingsworth was born and raised in Todd County, but went to Louisville a number of years ago, where she was made matron of the Baptist Home, of that city. This position she held for thirty-six years and retired only when she felt the need of a rest. It is said that during her administration as matron, several thousand children were received and cared for until private homes could be provided for after they had arrived at the age of responsibility, and that there was never a death in the institution.

I. C. Files Suit.

Memphis, Tenn., Jan. 20.—Because of the alleged failure of the Gulf Compress company to deliver cotton for which bills of lading had been issued, the Illinois Central Railroad company has entered suit against the Fidelity & Guaranty company of Maryland, seeking to recover \$30,000, the amount of losses which the railroad company asserts they sustained on account of the non-delivery of the staple. The Guaranty company, it is set forth, warranted that the railway would suffer no losses while acting as carrier for the Compress company, which recently was placed in the hands of a receiver.

Paducah, Ky., Jan. 18.—A bride of but six weeks, Mrs. Ida Northington, 19 years old, disappeared from her home in Ballard county last night while her husband and her father's family were eating supper. She was reputed to be one of the prettiest girls in Ballard county. She and "Ham" Northington were married just six weeks ago and no trouble had marred their honeymoon. Her mysterious disappearance is not understood. Police departments of surrounding towns and cities were notified today to watch for her.

The bride is a brunette of winsome personality and is a graduate of the high school of the class of '05. She is a decided favorite in an extended circle of friends by whom she has been much entertained with a number of prenuptial affairs in her honor during the week before the wedding.
